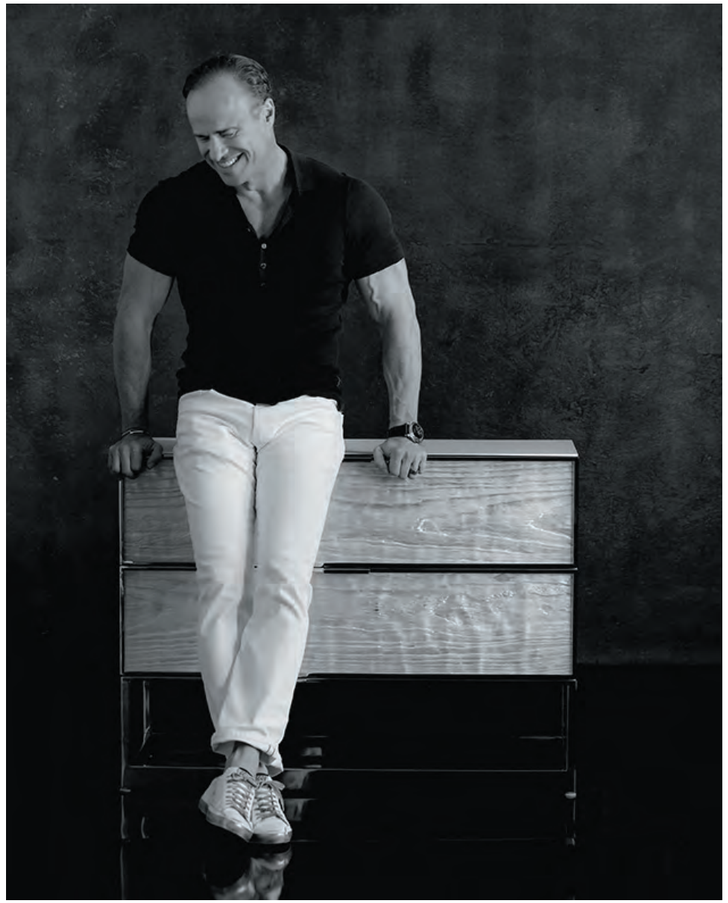
2021 CATALOG



THE CREATION OF GREAT DESIGN IS OUR GUIDING PRINCIPLE.

That moment of surprise when someone walks into a room, sees an object and gets a feeling of some new possibility. That's the quality we want to capture in the pieces we make. But good furniture design also has to be honest and serve its purpose. It's a challenge. So, we call upon our core belief in craft and technology. We work relentlessly on the details. We put a huge amount of time, thought and care into each piece. Welcome to Bernhardt Interiors. Iconic furniture designed for a modern era, and for you. Express what you will.

Many high quality, natural materials, such as wood, veneer, glass, rubber, metal, plastic, cloth and/or stone, are used in our products and may reflect grain, vein or color variations. These variations are inherent in their species and enhance the unique beauty of each piece of furniture. Due to the photographic and printing processes used in the creation of this catalog, the finish and fabric colors displayed may vary from actual finish and fabric colors. Authorized Bernhardt retailers carry a variety of our furniture pieces and collections, so please contact them about the specific products at their location. Bernhardt uses materials and resources sourced globally to ensure a quality product. Specifications subject to change without notice.
